AMENDMENT UNDER 37 CFR 1.111

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Amendment is in response to the Office Action mailed 15 August 2002.

Attached hereto and herein incorporated by reference is a Petition for Extension of Time for a three-month extension making the due date for response 15 February 2003.

Kindly amend the application as follows.

IN THE CLAIMS:

1. (Amended) A method of expressing a gene product in the gut of an animal, which comprises:
administering an encapsidated recombinant AAV vector to the gut of said animal,
wherein said vector comprises a non-AAV gene of interest operably linked to a promoter operable in gut.
